LET YOURSELF

.....
Experience freedom like never before.
Do it all, or do nothing at all because
it's your holiday, your way.
.....

SHORT & SWEET

We offer the biggest choice of two to four-night getaways and the largest range of one stop short breaks from Australia.

ENTERTAINMENT & ACTIVITIES LIKE NOWHERE ELSE

Nowhere but P&O Cruises will you find Australia's largest adventure park at sea, P&O Edge. Plus, our original production shows are choreographed by a leading Australian production company, designed exclusively for P&O Cruises' audiences.

FRESH & FAMOUS

You won't find fresher produce than P&O's. If it's the fame you're after, try Australia's only celebrity chef restaurant at sea, Salt grill by Luke Mangan.

MADE IN AUSTRALIA

We know Australians, and that means no tipping, Australian currency onboard and no shortage of Australian favourites - on our menus, in our bars and even on our playlists. So kick off your thongs and enjoy a little piece of home while you're getting away.

NOW PLAYING: MAIN EVENTS

As the only cruise line in Sydney Harbour on Australia Day, there's no better place to be. And not only did we pioneer Melbourne Cup cruising, but we perfected it. We even offer a behind-the-scenes Shore Tour of Flemington Racecourse a day before the big race. Australia's greatest sporting event with Australia's greatest cruising company.

MEET AUSTRALIA'S
LARGEST
FLEET

.....

**Now with five ships,
P&O Cruises is the largest
fleet (or should we say
family) in Australia.**

They say variety is the spice of life.
At P&O, we'd have to agree, though
coriander is a close second. And now, with
Pacific Aria and Pacific Eden joining the
fleet, we offer even more variety. Two new
ships and a fleet of five offers cruisers
more destinations to choose from, more
ports to depart from, more experiences
to indulge in and more reasons to holiday
with P&O. This is cruising like you've
never seen it before.
